

# The Alliston Lions Wish to Share a LIONS ROAR & HEARTFELT

## Thank You

That's a 'Wrap' For the 2016 version of the Alliston Lions Club Food and Toy Hamper Drive.

The Alliston Lions Club sincerely extends a HeartFelt Thank You to the areas very generous residents, neighbours, friends, fellow volunteer service organizations, businesses and our own families.

These efforts and the generosity allowed The Alliston Lions Club and our Partners to provide the communities our membership serves with by bringing Christmas Cheer to 127 families and approximately 250 Children who may have otherwise done without.

The Alliston Lions Club also collected and delivered over 7400 pounds of Food to our Local Food Bank which will hold them in good stead well into the New Year.

A sincere thank you to ALL of you that took any time from your busy schedules and incurring significant expense in continuing our Lions Club Legacy of assisting those less fortunate.

Aside from the long hours, hard and heavy work, it was a 'Roaring Good Time'.
